INDIAN CHAMBER OF COMMERCE

Indian Chamber of Commerce takes immense pleasure in announcing the “9th edition of National Legal Summit” on 19<sup>th</sup> January 2019 at India Habitat Center, New Delhi. The objective of the summit is to disperse information share ideas and Insights on India's legal framework and bring to the table legal complications & risks that are arising in today's business due to the new age technology and volatile economic and geopolitical environment in the country.

ICC as a National Public Institution is deeply involved in advocating and suggesting policies which would add value to our trade and commerce ecosystem. The summit would focus on discussion on improving the trade and commerce ecosystem by focusing on legal reforms.

### Objectives

- To debate on the emerging areas of Business and the legal angles attached to it.
- To understand the changing dynamics of today's business & identification of legal risk associated with it.
- To build connections between more than 150 business leaders, members of the Judiciary, senior policy-makers, leading counsels, general counsels of large MNC'S, corporate leaders, consultants, academicians, company secretaries and Chartered Accountants.

### Topics to be covered

1. Insolvency and Bankruptcy Code: an evolving law
2. Ease of doing business, what's really holding India back from being at the top?
3. Enforceability of contracts: what had led to the improvement and what else is needed?
4. Estate Duty: do we really need to tax the dead?
