TERMS AND CONDITIONS

Only actors operating or manufacturing in India are eligible for the Green Urja Awards 2021.

In order for an entry to be valid, all entry fields must be completed and the submission should adhere to the timelines. Incomplete, late, or non-compliant entries will not be accepted.

All information must be provided as per the units of measurement and year/time-period indicated against the entry fields. Any descriptive responses should follow the indicated word limit.

Entrants warrant that the information in the entry and any additional annexures/attachments are to the best of their knowledge true and correct.

Entrants agree that they may be contacted during and after the Awards to seek information or comments about the Awards.

Energy Efficiency Services Limited (EESL) is ICC's knowledge partner for the Green Urja Awards 2021. EESL does not have any conflict with any of the potential participants for the purpose of this award. Further, EESL will maintain strict confidentiality of any confidential data received in the entries.
